

**CCS Rule Change Notice For:
Rules for Classification of Sea-Going Steel Ships, 2012**

Version: August, 2014. RCN No.2

Effective date: 22 August, 2014

Beijing

PART ONE PROVISIONS OF CLASSIFICATION

CHAPTER 5 SURVEYS AFTER CONSTRUCTION

**Appendix 16 GUIDELINES FOR SURVEY OF PLANNED MAINTENANCE SCHEME
(PMS) FOR MACHINERY**

The existing paragraph 1.4.6 is replaced by the following:

1.4.6 Implementation survey means the first confirmatory survey of PMS for the ship which applies for survey of PMS within one year of its trial.

The existing paragraph 2.5.3 is replaced by the following:

2.5.3 For the ship which is assigned the class notation PMS for the first time, a class memorandum is to be given that the Implementation Survey shall be carried out by CCS surveyor within one year from the date of approval.

The existing paragraph 3.1.1 is replaced by the following:

3.1.1 For the ship which begins to carry out the PMS, trial is to be made for not exceeding one year. After the trial is finished, the owner is to apply to CCS for an implementation survey and submit an implementation report of trial at the same time.
